In recognition of the central role that Northeast Alabama Community College has in meeting the educational and training needs in our community and, more broadly, in contributing to an educated U.S. citizenry and a competitive workforce, we pledge to do our part to increase in the number of Americans with high quality postsecondary degrees and certifications to fulfill critical local, state, and national goals. With the “completion agenda” as a national imperative, Northeast Alabama Community College has an obligation to meet the challenge while holding firmly to traditional values of access, opportunity, and quality.

This signed Call to Action commits [INSERT NAME OF YOUR INSTITUTION] to promote the development and implementation of policies, practices, and institutional cultures that will produce 50% more students with high quality degrees and certificates by 2020. We call upon every sector and constituency of our college and community to join us in this work. Our democracy needs every one of us.

Dr. David Campbell, President
Northeast Alabama Community College
