Statement of Affiliated Council’s Purpose and Goals

Please include a statement of the overall purpose and goals of this Council/Organization. The guidelines for affiliation require that a Council’s bylaws support the purposes and objectives of AACC.

The Community College Baccalaureate Association (CCBA) strives to promote better access to the baccalaureate degree on community college campuses, and to serve as a resource for information on various models for accomplishing this purpose.

The CCBA attempts to gather all published articles and legislation dealing with the community college baccalaureate degree. We also solicit copies of unpublished materials related to this topic. We host an annual conference to share information and develop ways to promote the community college baccalaureate degree to governors, state legislatures, national policy boards, and other appropriate persons and organizations.

The baccalaureate degree is an important entry requirement for the better jobs and a better lifestyle. Therefore, every person should have an opportunity to pursue the baccalaureate degree at a place that is convenient, accessible and affordable.
