Statement of Affiliated Council’s Purpose and Goals

The National Community College Council for Research and Planning (NCCCRP) exists for the following purposes:

• To provide an avenue for the NCCCRP membership to express themselves on matters of current and mutual concern related to the practice of policy analysis, research, planning and information-based management in 2-year, postsecondary institutions;

• To advise the American Association of Community Colleges (AACC) and other groups on policy issues and matters related to research, planning and information-based management for 2-year, postsecondary institutions;
Approved by AACC Board of Directors, April 20, 2013

- To serve as a liaison between the membership and the Association for Institutional Research (AIR) and other groups concerned with policy development, research, planning and information-based management for 2-year, postsecondary institutions;

- To promote the professional development of its members.

Affiliated Council Program Activities for the Current Year
July 1, _____ - June 30, ______

Please tell us about pertinent Council/Organization Activities, including annual and regional meetings, seminars and workshops; information on new and on-going publications; and any other information that may be of interest to your colleagues and the AACC. This information will be photocopied and shared with all AACC Councils, and Board and Staff Contacts.

Affiliated Council Program Activities for Next Year
July 1, 2013 - June 30, 2014

We are working to maintain the organization. At this point with dwindling membership we are looking at canceling the Journal to lower costs. AIR which used to host the website will do so no longer so we have to set up a new site. If I cannot get a slate of officers to run, I will dissolve the organization as per our by-laws.
