18th Annual EducationUSA U.S. University Fair
Nicosia, Cyprus

Regular Registration Deadline:
Thursday, July 30, 2015
(Late Registration is dependent on space availability. Please contact us.)

On Tuesday October 6, 2015 StudyUSA Higher Education Consultants Ltd (in short StudyUSA), the official EducationUSA Center in Cyprus, will host its 18th Annual U.S. University Fair. With a fresh approach to bring two year colleges as well as our traditional participants from four year and graduate programs, we are open to all accredited U.S. institutions of higher education. Our island is small but the number of students going abroad to study is currently 43,000 out of a population of just over a million. Cyprus has recently gone through some economic difficulties but education is still the number one priority for Cypriot parents.

Something new for U.S. representatives this year is a chance to chat with high school counselors before the fair opens up to the general public. As the official EducationUSA Advising Center in Cyprus, StudyUSA is supported by the U.S. Department of State to offer accurate, comprehensive and current information about higher education in the United States. StudyUSA, a non-profit organization, is also supported locally by the U.S. Embassy in Nicosia, Cyprus.

The fair provides an excellent opportunity for U.S. colleges and universities to meet with prospective students from the best secondary schools throughout Cyprus- both public and private. Last year, approximately 400 students from both Greek Cypriot and Turkish Cypriot communities as well as many high school counselors from both communities attended the Fair. We have received great reviews for our fair from participating admissions officers.

Unfortunately we are not able to accommodate exhibitors from institutions that are not regionally and/or professionally accredited by the appropriate accrediting body in the United States. If an admissions officer is unable to travel to Cyprus, you may wish to think about having a local alumni represent your university.

Please refer to the next two pages of this invitation for registration details. For more information, contact the Fair Coordinators, Ms. Gulsen Oztoprak at gulsen@studyusa.com.cy and Ms. Anna Argyrou at anna@studyusa.com.cy

We look forward to seeing you in October in Nicosia!
