Broadening ATE Impact Through Cross-Disciplinary Communities of Practice

- **BIO-LINK, ELAINE JOHNSON**
- **SCME, MATT PLEIL**
- **BATEC, DEBORAH BOISVERT**
- **NANO-LINK, DEB NEWBERRY**
Welcome to Bio-Link!

Bio-Link is a National Advanced Technology Education Center of Excellence focused on Biotechnology and Life Sciences.

Bio-Link connects students and job-seekers
Bio-Link connects instructors and community colleges
Bio-Link connects biotech employers and industry representatives

17th Annual Bio-Link Summer Fellows Forum

Date: Monday, June 1, 2015 - 1:00pm - Friday, June 5, 2015 - 12:00pm
Time Zone: PDT
Bio-Link sponsor(s): Bio-Link National Center

Each year Bio-Link Fellows from across the nation travel to the Clark Kerr Campus (CKC) in Berkeley, CA to learn about the latest practices in biotechnology education. Come join us!

Welcome to the Bio-Link Career Site!

What can you do with a biotech degree or certificate from a community or technical college?

This is the place to find out.

- Learn about different careers.
- Find out what people get paid.
- Find out what it's like to work in different kinds of jobs.
- Learn how to decode job descriptions.

What's new?

Finding a job can be a challenge, especially when you're entering a new career. Once you've found a job or jobs to apply for, the question arises: how much should you expect to be paid?

A good first step is to "...

This article is the second in a series on finding a job.
Bio-Link Depot

- Established 2002

Connecting teachers with science supplies they need through our clearinghouse of biotech industry donations.

**2014-15 Stats:**

- $433,681.00 Given Away
- 527 Volunteer Hours
- 5 Open Houses
- 330 Open House Attendees
- 193 Schools Served
Bridge to Biosciences (B2B) Program at City College of San Francisco

Entryway for students without any scientific background

General entryway to the Biotechnology Degree courses for students with some scientific background

Bridge Program
- Math for Biotech Class (ET 108A)
- Biotech Language Class (ET 107)
- Introductory Science Class (BTEC 10)

Bridge’s Internship Program
- Basic Lab Skills for Biotech Class (BTEC 14A)
- Biotech Career Pathways Class (BTEC 15)
- Internship/Work Experience (BTEC 93)
- Internship Exp. Class (BTEC 14B)

Biotechnology Laboratory Assistant Certificate

Phase 1
- GLP/GMP Principles Class (BTEC 12A)
- GMP Compliance Class (BTEC 12B)

Phase 2

Gatekeeper Courses

General Biology and Chemistry Courses

Biotechnology Certificates (Biomanufacturing, Stem Cell, Biotechnician)

AS Degree in Biotechnology or Biomedical Equipment Technician (BET)
