Overview of the NCBW

What we do: work with partners: other institutions, workforce agencies, trade groups and industry- across our region, the state and the US to:

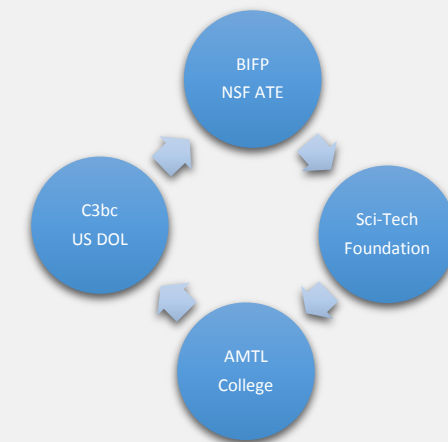

- 1) Understand the **NEEDS** of bioscience industry technician training.
- 2) Record & **PUBLISH BEST PRACTICES** in a digital medium.
- 3) Seek out **PARTNERSHIP** alignment for **FUNDING** opportunities.
- 4) **DISSEMINATE** through www.biotechworkforce.org
- 5) Manage the **Analytical & Molecular LAB** (Innovation Quarter) for purposes of commercial & educational training.
