Transfer and Employment Program Mapping Template

Use this template to map the relationships between the institution’s programs in a particular meta-major and related jobs and further education opportunities. This template is based on examples from Pierce College, which can be found here: http://www.pierce.ctc.edu/dept/pathways/. Complete the template for institution’s top three meta-majors by enrollment.

Worksheet. This worksheet should be helpful to get started mapping the relationships between programs in a particular meta-major, connected to related jobs and further education opportunities. Complete the schematic on the following page to visually represent the relationships between various degree options and further education / employment opportunities within each meta-major area.
