

Education Learning Module

Submitted By: _____

Topic:

•(Please give below a short description of the module topic)

Audience:

•(Please list the audience for which this module was intended. Ex. Grades 6-8, Grades 9-12, Post-secondary)

Related Core Standard:

•(Please list below any core standards that this module meets)

Module Method of Delivery:

•(Please describe below how this module will be delivered. Ex. Online, classroom, etc.)

Length of Time to Complete Learning Module:

•(Please estimate below the length of time required for a student to complete this module)

Learning Objectives:

- (Please list below the learning objectives for this module)
- Objective 1:
- Objective 2:
- Objective 3:
- Objective 4:
- Objective 5:

Module Lesson Outline:

- (Please provide below an outline of the lesson. Or briefly describe the outline and attach a file containing the outline)

Notes for Instructor:

- (Please include below useful notes for the teacher to use during this lesson. Or include a brief description and attach a file containing the teacher's notes)

Lesson Presentation:

- (Please provide below a brief description of the lesson presentation and then attach all files containing presentation materials. Ex. Powerpoint presentations, videos, handouts, etc.)
