

#ATEPI

INNOVATION & IMPACT: ATE FOR THE FUTURE

2019 ATE
PRINCIPAL
INVESTIGATORS
CONFERENCE
OCTOBER 23-25

Call for Sessions

The 2019 ATE PI Conference offers opportunities for ATE project and center participants to conduct presentations, lead demonstrations and workshops, and facilitate discussion sessions and breakfast roundtables.

Proposal Submission Information

Session guidelines and detailed information for submitting proposals can be found below and at www.aacc.nche.edu/2019ATE. All proposals must be submitted using the online form. The deadline for submission is **Friday, August 23**. Submitters will be notified whether proposals have been selected or declined by Friday, September 20.

Conference Theme

The theme for this year's conference focuses on the future of the ATE program and celebrates the significant role that ATE projects and centers play in creating and implementing successful and impactful career pathways resulting in a highly skilled U.S. workforce. By engaging in strong industry, community, and academic partnerships, ATE projects and centers are actively leading development and implementation efforts to provide innovative technological education programs that prepare students with the technical and professional skills they need in order to be successful in the global workplace of today and tomorrow.

Session Guidelines and Criteria

Where applicable, submissions in all tracks should demonstrate how the ATE community has successfully broadened impact through partnerships and collaboration with key stakeholders. Including internal and external stakeholders (e.g. college leadership, industry representatives, secondary or four-year college representatives, etc.) as presenters is strongly encouraged.

Sessions will be selected based on their alignment with the conference theme, *Innovation & Impact: ATE for the Future* and the ability of session leaders to address the following criteria:

- Share case studies, experiences, promising strategies, and lessons learned that demonstrate evidence-based project or center impact in one of the topic areas identified by the session tracks provided below.
- Focus on learning experiences and promising strategies that are common or relevant across disciplines and different project areas.
- Engage participants in interactive learning activities and provide take-away resources that participants can use and/or implement in their own work.
- Demonstrate collaboration among ATE centers or projects with strong preference given to session proposals that involve more than one project or center in a presenting role that can speak to project impact.

Session Tracks

In keeping with the conference theme, individuals proposing sessions for the 2019 ATE PI Conference are encouraged to submit in one of the following six tracks.

- **Track 1. Innovation & Impact: ATE for the Future**
Examples of topics in this category include: evidence-based teaching strategies; undergraduate research; competency-based learning; work-based learning; stackable credentials; credit for prior work experience; internships; apprenticeships; bridge programs; addressing emerging career fields/technologies; career pathways; and assessment strategies and resources.
- **Track 2. Developing STEM Leaders in Innovation**
Examples of topics in this category include: methods and models for professional and faculty development; faculty externships; leadership development; new PI succession planning; and mentoring programs.
- **Track 3. Engaging Students for Success in STEM**
Examples of topics in this category include: interactions with secondary school CTE programs; dual enrollment; career awareness/outreach; working

IMPORTANT DEADLINES

with guidance counselors and career coaches; summer camps; direct student interaction with industry; strategies for recruiting and retaining underrepresented students.

■ **Track 4. Advancing Innovation through STEM Research and Evaluation**

Examples of topics in this category include: strategies for conducting institutional and educational research; partnering with four-year colleges on student learning outcomes; strategies for sustaining and scaling programs; strategies for capturing reliable impact data; and evaluation.

■ **Track 5. Broadening the Impact of ATE by Engaging Partners**

Examples of topics in this category include: creating and leveraging partnerships with business and industry, college administrators, secondary schools, funders, local/state government, and/or the community; addressing workforce development needs through collaboration with business/industry; and outreach and marketing to external constituents.

■ **Track 6. Sharing Proven Practices in Grants Management and Program Administration**

Examples of topics in this category include: project and fiscal management; meeting evaluation and accountability challenges; strategies for sustaining and scaling programs; creating and leveraging partnerships; working with college administration; preparing annual reports; and dealing effectively with unforeseen project changes.

Session Formats

Proposals submitted in any of the six tracks must follow one of the formats described below. Please note that these sessions should not be used as a venue to report out on grant activities. Sessions are designed to share impact, proven strategies, and lessons learned.

FORUM

A forum session should involve at least two, but no more than three presenters and a facilitator. *Preference will be given to sessions that involve multiple presenters who represent different projects and centers.* Session proposals that focus solely on a general report out of a project's or center's activities will not be accepted. Forums should include an experienced facilitator who will present 2-3 thought-provoking questions to the panelists and coordinate presentations in addressing the session topic. Forums must share proven strategies and lessons learned in accordance with the session criteria.

Session Length: 50 minutes

Time Slots: Thursday, October 24, 10:10 – 11:00 a.m. or 11:10 a.m. – Noon

Session Capacity: Varies, up to 50 people

Maximum Number of Presenters: 3 presenters/ 1 facilitator

AV Provided: Rooms will be equipped with a laptop, data projector, and screen.

DEMONSTRATION

Demonstrations are formal presentations that show how to use or apply a pedagogical tool or concept. The proposal should describe how the presenter (or a small number of presenters) will walk attendees through a clear, step-by-step explanation of the concept or tool, how it compares to other teaching and learning tools, its strengths and weaknesses, and how it can best be applied or implemented. Presenters should be experts on the concepts or tools they are presenting. Note: Demonstration sessions are not intended as a report out of project or center

outcomes but serve rather as a venue to explain a pedagogical tool or concept. To share information on project and center work, ATE grantees are required to participate in the conference Showcase Sessions. Please see the separate Request for Showcase Sessions on the conference website for additional information.

Session Length: 30 minutes

Time Slots: Thursday, October 24, 2:15 – 2:45 p.m. or 3:00 – 3:30 p.m.

Session Capacity: Varies, up to 40 people

Maximum Number of Presenters: 3 presenters

AV Provided: Rooms will be equipped with a laptop, data projector, and screen. Internet is also available for demonstration sessions upon request.

DISCUSSION SESSIONS

The discussion session format offers an interactive venue for ATE grantees to share promising practices and lessons learned with other members of the ATE community, to network, share insights, and explore ways to collaborate around areas of similar interest. Discussion moderators serve as facilitators of interactive, substantive discussions and small group activities. Proposals should explain the overall context surrounding the anticipated discussion, as related to the conference track, and clearly identify the intended audience. Discussion proposals should also reflect the capacity to generate new ideas and questions from conference attendees as a means of making the session stimulating and meaningful.

Session Length: 50 minutes

Time Slots: Thursday, October 24; 10:10 – 11:00 a.m. or 11:10 a.m. – Noon

Session Capacity: Varies, up to 30 people

Maximum Number of Moderators: 2 people

AV Provided: No AV is provided for discussion sessions. Flip charts and markers are available if requested prior to the conference.

BREAKFAST ROUNDTABLES

Breakfast roundtables provide forums for informal discussion of a specific topic among small groups. Attendance is first-come, first-served and limited to a maximum of 12 people, including the moderator, seated around one round table.

Session Length: 60 minutes

Time Slots: Thursday, October 24 or Friday, October 25, 7:45 – 8:45 a.m.

Session Capacity: 12 people including the moderator seated around one table

Maximum Number of Moderators: 1 person

AV Provided: No AV is provided for breakfast roundtables. Moderators typically bring handouts or take-aways for participants.

HIGH IMPACT PRACTICE WORKSHOPS

High impact practice workshops are multi-presenter/facilitator sessions designed to address targeted areas of need within the ATE community, such as those identified in the conference tracks, including but not limited to addressing challenges in student recruitment/retention, grants management, evaluation, stakeholder engagement, and the implementation of new pedagogical or technological tools to keep in pace with industry demand. High impact practice workshops should focus on content that is relevant and applicable across STEM disciplines. Session proposals should identify the area of need or challenge to address, outline proven practices to be shared, include 3-4 learning objectives, and provide key takeaways for session participants. A short bio for presenters will also be required to demonstrate their experience in leading workshops.

Session Length: Two hours with a 15 minute break

Time Slots: Friday, October 25, 10:15 a.m. – 12:30 p.m.

Session Capacity: Varies, up to 80 people

Maximum Number of Presenters: 6 people

AV Provided: Rooms will be equipped with a laptop, data projector, and screen.

SYNERGY MEETINGS

Synergy meetings are informal gatherings of like-minded individuals who wish to discuss a certain topic without a pre-planned agenda. Synergy meetings are a great place to meet other ATE community members with similar projects and/or interests. Synergy meetings allow groups to meet and discuss issues relating to regular conference sessions and discuss common challenges. The meetings can be used to gather the people you have been working remotely with on a project, as well as potential new collaborators, into a space to conduct a deep dive on a topic.

Session Length: 60 minutes

Time Slots: Friday, October 25 from 10:15 a.m. – 11:15 a.m. or 11:30 a.m. – 12:30 p.m.

Session Capacity: Varies, up to 50 people

Maximum Number of Presenters: 4 people

AV Provided: Rooms will be equipped with a laptop, data projector, and screen.

SHOWCASE SESSIONS

Please note that all grantees **are required to participate** in a Showcase session, which is separate from this Call for Sessions process. See the separate Request for Showcase Sessions on the conference website for additional information. The Showcase sessions are designed as a venue to share information on grant activities and resources.

SESSION COLLABORATION

AACC provides information on its conference website to assist ATE projects and centers with identifying potential session collaborators and similar projects—such as searching through **ATE Central** or the **NSF awards database**. AACC reserves the right to identify similar session proposals and ask those submitting to work together on conducting a session, as well as to change the presentation type as needed to adhere to session guidelines.

Conference Registration

All conference participants are directed to register online for the ATE Conference through the event website at www.aacc.nche.edu/2019ATE by the deadline of **September 26, 2019.**

ATE Projects

Each ATE project will receive **two** complimentary registrations. Projects may also bring up to three additional people, each of whom must pay a \$350 registration fee. ATE projects may register up to a maximum of five people to attend the conference. For the purposes of this invitation, renewals of a previous grant count as only one project or center.

ATE, Resource, and National Centers

Each ATE center will receive **two** complimentary registrations. Centers may also bring up to five additional people, each of whom must pay a \$350 registration fee. ATE centers may register up to a maximum of seven people to attend the conference. For the purposes of this invitation, renewals of a previous grant count as only one project or center. Please note that ATE center planning grants are counted as an ATE project.

Multiple ATE Grants

Colleges or institutions with more than two ATE grants can register up to a maximum of 15 people to attend the conference. Multiple projects or centers will receive a maximum of five complimentary registrations. They may also bring up to ten additional team members, each of whom must pay a \$350 registration fee.

ATE Projects and Centers in No-Cost Extensions

ATE projects and centers in no-cost extensions may be invited to attend the event as space permits. Invited projects and centers in no-cost extensions can bring up to two people to attend the conference, each of whom must pay a \$350 registration fee.

Registration Substitution and Cancellation Policy

Please note that all participant registrations that require payment are responsible for their registration fees if they do not cancel and do not attend the conference. Participant substitutions can be made at any time by emailing ate@aacc.nche.edu. Refunds minus a \$25 cancellation fee will be made after the conference for cancellations received in writing by **Friday, October 11, 2019.**

No refunds will be issued for cancellations received after October 11, 2019.

Hotel & Travel Information

Lodging

The conference will be held at the Omni Shoreham Hotel, 2500 Calvert Street, NW, Washington, DC. All participants are responsible for making their own hotel reservations. The hotel room block is limited to registered ATE Conference participants. You will receive a hyperlink to make your hotel reservation in your conference registration confirmation email once your registration is complete. Hotel reservations will not be accepted by phone.

Please note that you will need to provide a credit card number to guarantee your room and cover any incidental fees accrued during your stay. Please be sure to register for the conference and make your own hotel reservations through the link provided in your conference registration confirmation email before **Thursday, September 26**. If reservations are not made by September 26 (the cut-off date for guaranteed room reservations and special conference rate), you will be responsible for any difference in room costs above the conference rates.

Hotel Costs

AACC will cover lodging expenses for designated participants: two rooms for projects and two rooms for centers for the nights of October 23 and 24. Colleges or institutions with more than two ATE grants will receive lodging expenses for a total of five rooms for the nights of October 23 and 24. **These rooms will be billed to the AACC master account following the September 26 cut-off date, but incidental expenses are the responsibility of the attendees.**

Hotel Costs and Designated Participants

The participants that register as complimentary on a grant (two for projects and two for centers) will automatically have the cost of their hotel rooms for the nights of October 23 and October 24 charged to the AACC master account. If a project or center would like to assign their complimentary room nights to individuals that are not receiving the complimentary registrations as part of their grants, please email that request to ate@aacc.nche.edu by September 26 so AACC can properly code the hotel reservation list.

Additional Room Costs

The cost of additional rooms (reserved by September 26) is \$263.00 (single/double) plus tax and will be billed to the individual. Meeting participants who would like to come early or stay late may do so and pay the cost of additional room nights at the rate of \$263.00. The hotel will honor this room rate three days prior and three days after the conference dates subject to availability.

Travel

All attendees are responsible for their own travel arrangements. The closest airport to the hotel is the Washington Reagan National Airport (DCA), which is accessible by the Washington Metrorail system. The Omni Shoreham is conveniently located one block south of the Woodley Park Station on the red line of the Metrorail. Other area airports include Baltimore-Washington International (BWI) or Washington Dulles (IAD). For information on taxi and shuttle service from area airports, please see the ATE Conference website at: www.aacc.nche.edu/2019ATE.

Conference Meals

The following meals will be provided at the conference.

Wednesday • October 23 Evening reception
 Thursday • October 24 Breakfast, lunch, light afternoon reception
 Friday • October 25 Breakfast, box lunch

Please note that all participants are required to make their own hotel reservations through the link provided in their conference registration confirmation email; and complimentary rooms will be assigned to the master account following the **September 26** cut-off date.

ATE Conference Orientation Webinar

Friday • September 6

AACC, in partnership with Mentor-Connect, will host an ATE Conference Orientation Webinar designed for first-time conference attendees. The webinar will provide an orientation to the conference and highlight why you and your grant team should attend, what you need to do to attend, what you can expect, and how you can maximize your time to get the most out of the conference and its many networking opportunities. The webinar is scheduled on **Friday, September 6 from 1:00 – 2:30 p.m., ET**. To register for the webinar, please see the conference website.

Pre-Conference Workshops

Wednesday • October 23

Five optional pre-conference workshops will be held on Wednesday, October 23. Advance registration and a fee are required for all attendees. Please see the conference website for workshop descriptions and further information.

WORKSHOP A Getting Started for New Grantees

1:00 – 5:00 p.m.

Registration Fee: \$50.00

WORKSHOP B ATE PI Survival Guide: Surviving and Thriving in the ATE Program

1:00 – 4:00 p.m.

Registration Fee: \$50.00

WORKSHOP C STEM Makeover with Accessibility and Universal Design for Learning

1:00 – 5:00 p.m.

Registration Fee: \$50.00

WORKSHOP D Leading for Equity in ATE: Transforming Systems to Broaden Participation in STEM

1:00 – 5:00 p.m.

Registration Fee: \$50.00

WORKSHOP E Impact Evaluation Essentials: Why, What, and How

1:00 – 4:00 p.m.

Registration Fee: \$50.00

Showcase Space and AV Reservations

Space for the showcase sessions MUST be reserved by **Thursday, September 19, 2019**. Showcase reservations and AV requests can **only** be submitted online through the "Showcase Session" page of the ATE Conference website.

Participants can select the date of their showcase, reserve their booth space, and obtain their booth number as part of the showcase reservation process. Showcase booths are available for reservation and confirmed on a first-come, first served basis.

We encourage participants that wish to showcase near specific projects or centers to go online together to reserve your space to ensure you are placed next to one another. This year's showcase reservation system features an interactive exhibit floor map, which will allow grantees to select their desired booth space. In addition, AACC is encouraging participants to try to reserve space next to others in their STEM discipline area. Booths will be designated by color according to STEM discipline to assist participants in both reserving space and in navigating the showcase sessions on site at the event.

As the Showcase sessions will fill up, please be sure to reserve your booth space in advance of the **September 19** deadline to ensure your participation in this important session!

Showcases must be confined to the space assigned by AACC.

FIRST-TIME ATE GRANTEES IN THE NEW TO ATE FUNDING TRACK

NSF asks all first-time ATE grantees awarded in FY19 in the New to ATE funding track to participate in a showcase session. First-Time New to ATE grantees will share an 8' x 10" booth with another New to ATE grantee and be asked to prepare a poster and/or a one-page handout for display and sharing purposes. The booth will also include one 6' x 30" table, and two chairs. Poster boards and pins can be requested for new grantees. Detailed information on preparing a poster or a one-page handout is available on the conference website.

ATE PROJECTS AND CENTERS

Each ATE project and center, (with the exception of First-Time ATE Grantees in the New to ATE Funding Track, as outlined above), will be assigned an 8' x 10' booth with an 8' high backwall, 3' high side drape, one 6' x 30" table, and two chairs. Participants will have a set-up period before the session and a tear-down period immediately following the session.

BOOTH AUDIO/VISUAL

All project and center booths will be provided with access to electricity. In addition, AACC can provide access to a flat screen computer monitor if requested (with the exception of First-Time ATE Grantees in the New to ATE Funding Track). No additional AV will be provided.

POSTER BOARD AND PINS

Poster boards and pins can be provided to ATE grantees that have not yet had an opportunity to create a more formal display. Please see the conference website and orientation webinar for further information about showcase preparation.

INTERNET

Internet connections are not available through AACC, but you may make your own arrangements and pay for this expense through the hotel directly. Please see the exhibitor kit for more details.

Showcase Sessions and AV Reservations

All projects and centers are required to present a display and/or share information that captures the purposes and products of their programs. The showcases will be divided into two sessions featuring both ATE centers and projects; one scheduled on the evening of Wednesday, October 23, and the other on the afternoon of Thursday, October 24. The showcase sessions are key components of the conference. They provide participants an opportunity to connect and share information, resources, and/or program outcomes with other ATE grantees, NSF, and with non-ATE guests at the conference. These showcases are a highlight of the event, so please spend time developing and assembling your displays and/or materials to show your work to its best advantage.

CANCELLATION OF EQUIPMENT

Please note that any cancellation of showcase equipment requests must be received in writing by October 11. Colleges and institutions will be invoiced following the conference for any equipment that they order but do not use on site. If you require equipment not listed above, you must cover the costs and make arrangements yourself with the conference AV company.

SHOWCASE SHIPPING INFORMATION

All fees and shipping arrangements are the responsibility of the conference attendee and must be handled through the conference’s exposition services company. Please refer to the “Showcase Session” page of the conference website to download a showcase exhibitor kit with detailed information including shipping and handling rates.

**Showcase
Schedule**

SHOWCASE 1: Project and Center Showcase

Wednesday • October 23, 2019

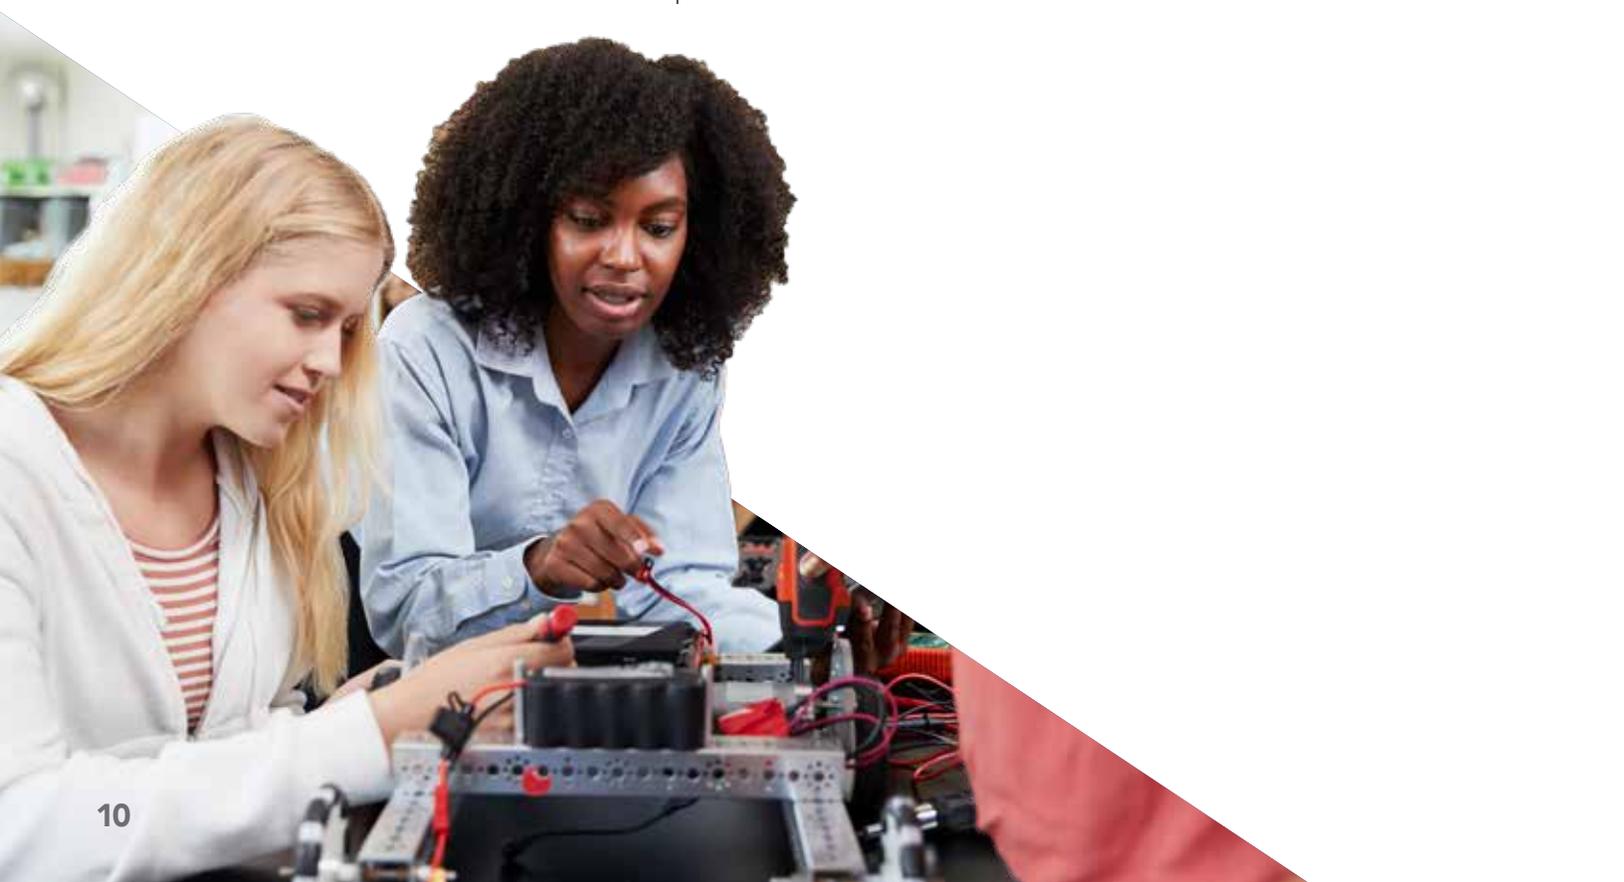

Showcase Set-up	12:00 – 5:30 p.m.*
Showcase Session	7:00 – 9:15 p.m.
Showcase Tear Down	9:15 – 10:00 p.m.

SHOWCASE 2: Project and Center Showcase

Thursday • October 24, 2019

Showcase Set-up	7:30 – 8:45 a.m.
Showcase Session	3:45 – 6:00 p.m.
Showcase Tear Down	6:00 – 6:45 p.m.

*Note: If you sign up to showcase on Wednesday and are also attending a pre-conference workshop that ends at 5:00 p.m., please arrive to the conference in time to set-up your showcase display between 12:00 – 1:00 p.m., or plan to set-up from 5:00 – 5:30 p.m.

Each project or center may nominate up to **two** students or recent alumni to attend the conference by having him or her apply online at www.aacc.nche.edu/2019ATE. The application must be submitted to AACC by **Wednesday, September 11, 2019**.

A review committee will evaluate the applications received and select up to 60 students to attend the conference. AACC will notify these individuals by Friday, September 13. If your nominee is chosen, AACC will provide them with complimentary registration and lodging for two nights, October 23 and 24, 2019. Your institution is expected to cover his or her transportation costs to and from the conference.

Students/alumni selected to attend are required to:

- participate in a student orientation webinar on Wednesday, September 18, 6:00 – 6:30 p.m. (ET) or view the recorded version of the webinar on AACC's website prior to attending the conference;
- participate in a student poster session on Thursday, October 24 from 12:30 – 2:00 p.m.;
- participate in a student/alumni recognition breakfast on Friday, October 25, 7:30 – 8:45 a.m.;

There will also be an opportunity for students to take part in student-led presentations and sessions at the conference.

Students who have attended past ATE conferences have enjoyed the opportunity to share information about their programs of study and career paths with conference attendees. Students are expected to prepare a poster and participate in a student poster session on October 24. AACC will provide fabric boards and Velcro for mounting the posters to the display boards on site at the event. Please consult the event website for specific information pertaining to student poster preparation guidelines.

To provide an overview of the conference and further information about student involvement, AACC will host a "Student Orientation Webinar" on **Wednesday, September 18, 2019 at 6:00 p.m. ET**. This webinar will also be available for view and download on the AACC website following its air date. Further information on the webinar, including access instructions, will be distributed with the student acceptance letters.

Please alert your project team members about this opportunity for students/alumni, and encourage someone who has been affected by your ATE project to apply. Individuals selected through this application process do not count toward the maximum participants a center or project can bring to the conference.
