Dear Colleagues:

I am pleased to encourage your support for Dr. Susan Burrow's nomination to the American Association of Community Colleges (AACC) Board of Trustees. Dr. Burrow is a strong principled leader who innovates and advocates for student success. She currently serves in leadership positions at the local, state, and national levels. As such, the Community Colleges of Appalachia's Board of Trustees competitively selected Dr. Burrow as their nominee for the Affiliate Council position on the AACC Board.

Dr. Burrow was recently selected to serve as one of 54 on AACC's national Task Force on Community College Apprenticeships. In addition, currently serving on AACC's Commission on Economic and Workforce Development demonstrates her expertise and her commitment to engaging in relevant challenges and opportunities facing community colleges today. If elected, she will bring a strong voice, meaningful insight, and purposeful action through her service to all institutions represented by AACC and the Board of Trustees.

Having worked with Dr. Burrow since 1993, it is an honor for me to support her nomination. She is recognized as leader in her community and at the State level. She served three years on the executive Board for the Alabama Community College System President's Association and currently serves as the President of our association. Her leadership plays a crucial role stability and growth during times of rapid change and opportunity for her College and the System.

Please join me in supporting Dr. Burrow's election to the AACC Board of Trustees. I trust you will share my endorsement of Dr. Burrow as you network with AACC.

Sincerely,  
*Kim Ennis*

Dear Dr. Royal:

I am immensely proud to recommend Dr. Susan Burrow as an outstanding candidate to serve as an Affiliated Council Representative for the American Association of Community Colleges Board.

Dr. Burrow has served as a visionary leader during her 24+ years in higher education at the community college level. Her work in the classroom, as a Dean and now as President has provided her with a rich set of experiences to prepare her to make a significant impact on the students we serve in the community colleges across the country.

I have known Dr. Burrow since meeting her at a 2014 AACC New Presidents Workshop. It has been a pleasure to get to know her through the years and I know she is making a significant impact in Alabama and beyond. Dr. Burrow's work in Alabama, at the regional and national levels will make her a great AACC Board Member. I know that Dr. Burrow will do a tremendous job representing not only the Affiliated Councils, but AACC Member Institutions as well.

Please contact me should you have questions or if I can be of further assistance.

Sincerely,

Jay Allen, Ph.D.  
President

To Whom it May Concern:

I am pleased to provide this letter of recommendation for Dr. Susan Burrow to serve as a member on the American Association of Community Colleges Board. She currently serves as the president of Central Alabama Community College and has extensive experience in the field of college education. Since her arrival in February 2013, Central Alabama Community College has experienced an increase in CT dual enrollment, created student success centers on two campuses and one instructional site, as well as, being one of six colleges nationally named as "Leader College" by Achieving the Dream.

It is without reservation that I recommend Dr. Susan Burrow as a member on the American Association of Community Colleges Board. Please let me know if you have any additional questions about this nominee.

Sincerely,

Mary S. Graham, Ph.D.
