

Executive Summary

Registered Apprenticeship 101 Bootcamp: Registering Apprenticeship Programs in OA States

11/1/2019

Moderator(s): Zach Boren

Speaker(s): Mark Judge

Focused on the process of registering a program with the National Office of Apprenticeship, this session will provide a guide of the process and offer a high-level look at ways it may differ from registering in SAA states, to provide some perspective when dealing with sponsors who may be used to a different process.

Discuss the registration process for OA states

Share criteria for apprenticeable occupations

Provide a high-level view of differences in registering apprenticeship programs in SAA states

Offer perspective of sponsors wishing to register in both OA and SAA states
