RE: Letter of Support for Dr. Susan Looney, President of Reading Area Community College

It is with great pleasure that I submit this letter of support for Dr. Susan Looney to serve as a member of the Board of Directors for the American Association for Community Colleges (AACC).

There are many ways that Dr. Looney will provide invaluable contributions as a board member including: her experience over the past three years to the AACC Commission for Student Success, her experience as president of one of only two Hispanic Serving Institutions in Pennsylvania, and her personal experiences of how opportunity, access, excellence and hope offered by the community college can change lives.

The responsibility as a member of the Board of Directors is to act on behalf of the institutional members to create and maintain a vision for AACC and to determine and ensure that the organization adheres to appropriate standards of performance. On behalf of Lehigh Carbon Community College and all member institutions of AACC, it is without hesitation that I recommend Dr. Susan Looney to fulfill this responsibility.

If you have any questions please do not hesitate to contact me at 610-248-2029 or [abieber@lccc.edu](mailto:abieber@lccc.edu).

Respectfully,

Ann D. Bieber, Ed. D.  
President
