Dear Committee:

I am very pleased to support Dr. Charlotte Warren, president of Lincoln Land Community College, as an Institutional Representative to the AACC Board. I have had the opportunity to work with Dr. Warren in a variety of community college initiatives over the past ten years. She is a well-respected colleague, and her accomplishments as president of Lincoln Land Community College have been impressive.

Dr. Warren is a past president of the Illinois Council of Community College Presidents and serves on a number of boards and commissions, including the Mid-Illinois Medical District Commission, Land of Lincoln Workforce Investment Board, Memorial Health System Corporation Board, and the Reserve Forces Policy Board of Secretary of Defense Office. With her extensive background in education administration across all disciplines, she has a broad understanding of the needs of an increasingly diverse student population to be successful in achieving their academic goals.

Dr. Warren has a strong commitment to service and would be an excellent addition to the AACC Board.

Sincerely,

Sylvia M. Jenkins, Ph.D.
President
